EXPERIENCE

Web Designer / Developer — **Oct 2022 – Present**
Sample Technologies, LLC — Rochester Hills, MI (Remote)
- Designed and created webpages for new collection drops, and reworked old collection pages.
- Implemented and discussed web strategy for campaigns such as NeoCon (largest and leading event for the commercial interior design industry) and the Healthcare Design Conference with Marketing and Tech team.
- Communicated and collaborated with backend developer and parent company (C.F. Stinson) to improve the company catalog for fabric and materials.
- Developed user interface and defined branding of moodboarding software (designMix) across 10+ fabric and furniture licensees.

Web Designer II — **Oct 2020 – Oct 2022**
Einstein Medical — San Diego, CA (Remote)
- Branded over 35 full websites and upgraded over 40 existing websites for high-profile doctors, dentists, surgeons, and lawyers across North America.
- Developed internal team page and profile cards with company branding.
- Part of team that oversaw designs of 200+ sites using client-provided and stock imagery.
- Provided user feedback to company partners and internal teams. Developed section types, animations and UI elements.

Designer, Developer, Co-Founder — **May 2020 – Jul 2021**
Ethicli — Sacramento CA (Remote)
- Designed and coded website, and browser extensions for Chrome and Firefox.
- Created marketing materials, logo, and social media graphics.
- Created slide decks and mock sites for demonstrations (including Y Combinator pitches)

Front End Developer Intern — **Jun 2020 – Mar 2021**
Hackers/Founders — San Jose, CA (Remote)
- Followed existing brand manual to design startup application.
- Developed frontend of startup application, onboarding forms, and dashboard
- Pair-programmed dashboard using Python and Django with senior engineer.

Web Designer and Content Manager — **Nov 2019 - Apr 2020**
UC Davis D-Lab — Davis, CA
- Redesigned website using UCD content management system Sitefarm.
- Created site layouts and pages, and managed course content and descriptions.
- Updated and edited pages for donors and global governments from old site onto new site.
